

# INDORE MANAGEMENT ASSOCIATION

Presents

An Interactive Exclusive Workshop

## **Kaizen: Business Excellence through Operational Excellence**

Saturday, June 25, 2011

Indian economy holds lots of potential and growth in all sector is strong. This is the time to match aspirations with actions. Time has come to focus on Operational Excellence. Organization needs to convert strategies into growth and profit. Apart from privilege to few, bulk of Indian organizations in manufacturing and service are plagued with waste. This results in inefficient use of resources.

### **Kaizen helps organisation:-**

Learn > Apply > Sustain - Operational Excellence

### **How does Operations Excellence help?**

Supports the organizations quest to become: - Faster > Better > Cost Efficient.

## Impact

- Improved daily work standards
- More productivity from people, machines and space
- Reduced break down.

## Faculty

Jayanth Murthy joined Kaizen Institute with its Africa Asia Pacific Operation in the year 1999 and moved to become founding partner and Director of KI Africa Operations. He holds a Bachelor's degree in Industrial / Production Engineer from Mysore University; a Fellow in Management from Carnegie Mellon, USA and a recipient of AOTS scholar from Osaka, Japan. Currently he heads the business growth function across India, Africa and Middle East. He is a visiting Professor at NID (National Institute Of Design, India) and is regularly invited to speak at national and International seminars relating to operations management. He has pioneered the "Muda Free Mauritius Programme" which has later been adopted by Government of Kenya (Office the President). He has advised Governments of Botswana, UAE, Gujarat (India), Kenya and the African Union (at Addis Ababa).
